The Department of Finance estimates that as of January 5, 2014, the market value for this property is \$722,000. Finance will use this market value to determine your property taxes starting July 1, 2014.

Finance estimated your property's market value using the income approach. Market value is found by dividing the net operating income by the overall cap rate.

## Factors Used By Finance To Determine Market Value:

- Building Gross Square Footage: We estimated building gross square footage at 15,942.
- Gross Income: We estimated gross income at \$212,842.
- Expenses: We estimated expenses at \$101,793.
- Net Operating Income: We subtracted estimated expenses from estimated gross income, resulting in a net operating income of \$111,049.
- Base Cap Rate: We used a capitalization rate of 9.464% which is Finance's estimate of the rate of return that an ordinary investor would expect on their investment in this type of property.
- Overall Cap Rate: We added an effective tax rate of 5.915% to account for taxes due. Added together your overall capitalization rate is 15.379%.
