## **DRIE STATEMENT OF ACCOUNT**

This statement is provided by the Department of Finance (DOF) to assist you in maintaining accurate DRIE reports.

The DRIE Statement of Account is mailed by DOF on a quarterly basis to the landlord/managing agent.

### **THE NEW DRIE ACCOUNT**

On a monthly basis, DOF will receive DRIE credits/debits, by borough/block/lot. These credits/debits will be posted to the new DRIE account. Once the DRIE credits/debits are verified, DOF will send the landlord a confirmation notice, which will include tenant identification, exemption period, and transaction identification number to be used for cross-referencing.

### **CREDIT BALANCES**

DOF will apply credit balances from the DRIE account to FAIRTAX in the following order to:

1) automatically offset any taxes that are due for the next period, 2) automatically offset any unpaid taxes that are past due, and 3) leave the remaining credits in the account to offset potential DRIE debit adjustments.

In preparing for the annual real estate bill, DOF will take available DRIE account credit balances and apply them to balances due for the next fiscal year.

### **REFUNDS/TRANSFERS**

A taxpayer may direct DOF to apply DRIE credits s/he chooses, apply for a refund, or may pay her/his taxes and request that a SCRIE offset be reversed back to the DRIE account. (Note: Before a DRIE refund is granted, a credit will be used to liquidate any open real estate charges.) DRIE credit transfers or refunds may be applied for by means of the EXCESS DRIE refund application. This form may be downloaded from our Website at [nyc.gov/finance](http://nyc.gov/finance). DRIE inquiries may be directed to our HelpLine at 311.

If an account balance falls below zero because of a DRIE debit adjustment, DOF will add the debit balance to the next period for which taxes are due and issue an adjusted real estate bill.
