### Definitions

**Market Value** is the estimated value for 4-10 unit properties based on the income you receive or could receive from renting these properties.

**Assessment Percentage** is a fixed percentage of Market Value. For class 2 properties, it is 45%.

**Assessed Value (AV)** is calculated by multiplying your Market Value by the Assessment Percentage. A cap on AV imposed by New York State law can affect your Assessed Value. Your AV cannot increase more than 8% a year or 30% over five years unless you have made a physical change to your building.

**Effective Market Value** is calculated by dividing the AV by the Assessment Percentage. Your Effective Market Value of \$1,122,911 is calculated by taking the AV of \$505,310 and dividing it by 45% (.45).

**Exemption Value** is the amount of property tax benefits you currently have (except for abatements, which are not listed above but are listed on your property tax bills). This value is subject to change. If you recently applied for exemptions, they may not be listed. If you would like to apply for any personal homeowner exemptions, please submit your application by March 15, 2017. Other exemptions have different deadlines. For more information about exemptions, visit [nyc.gov/ownerexemption](http://nyc.gov/ownerexemption) or contact 311.

**Taxable Value** is the Assessed Value minus the Exemption Value.

**Estimate your property taxes** for 2017/18 by multiplying your Taxable Value by the current tax rate, and then subtract abatements. The result will be an estimate of your property taxes for 2017/18.

### Important Information

- You may challenge your property value. Please read more about how to challenge your property values on the "What is Your Notice of Property Value (NOPV)" sheet that is included in this mailing.
- If you own income-producing property, you must file a Real Property Income and Expense Statement (RPIE) or a Claim of Exclusion unless you are exempt by law. The deadline to file is June 1, 2017. Failure to file will result in penalties and interest, which will become a lien on your property if they go unpaid. Visit [nyc.gov/rpie](http://nyc.gov/rpie) for more information.
- If you have tried to resolve an issue through normal Department of Finance channels and feel it has not been settled, you may contact the Taxpayer Advocate at: [www.nyc.gov/taxpayeradvocate](http://www.nyc.gov/taxpayeradvocate), or by calling 311.
