SCRIE STATEMENT OF ACCOUNT

This statement is provided as a joint effort between the New York City Department of Housing Preservation and Development (HPD) and the Department of Finance (DOF) to assist you in maintaining accurate SCRIE records.

The SCRIE Statement of Account is mailed by DOF on a quarterly basis to the landlord/managing agent.

THE NEW SCRIE ACCOUNT

On a monthly basis, HPD will electronically transmit SCRIE credits/debits, by borough/block/lot to DOF. These transmissions will be posted to the new SCRIE account. Once the SCRIE transmission is verified, HPD will send the landlord a confirmation notice, which will include tenant identification, exemption period and transaction identification number to be used for cross-referencing.

CREDIT BALANCES

DOF will apply credit balances from the SCRIE account to FAIRTAX in the following order to:

1. automatically offset any taxes that are due for the next period,
2. automatically offset any unpaid taxes that are past due, and
3. leave the remaining credits in the account to offset potential SCRIE debit adjustments transmitted by HPD.

In preparing for the annual real estate bill, DOF will take available SCRIE account credit balances and apply them to balances due for the next fiscal year.

REFUNDS/TRANSFERS

A taxpayer may direct DOF to apply SCRIE credits s/he chooses, apply for a refund, or may pay her/his taxes and request that a SCRIE offset be reversed back to the SCRIE account. (Note: Before a SCRIE refund is granted, a credit will be used to liquidate any open real estate charges.) SCRIE credit transfers or refunds may be applied for by means of the EXCESS SCRIE refund application. This form may be downloaded from our Website at nyc.gov/finance. SCRIE inquiries may be directed to our Customer Assistance unit at (212) 504-4080.

If an account balance falls below zero because of a SCRIE debit adjustment, DOF will add the debit balance to the next period for which taxes are due and issue an adjusted real estate bill.
