ESTIMATED 2019-20 PROPERTY TAX

We cannot calculate your 2019-20 property tax until the new tax rate is established by the city council. Until then, you will pay the 2018-19 rate. The table below estimates the amount you will owe by multiplying the taxable value of your property by the current tax rate of 12.612%. This table is provided for informational purposes only; the actual amount you owe may differ.

Please note that property tax abatements, including the coop-condo abatement, are not included in this estimate. If you receive any abatements, they will be subtracted from your property taxes. Check your July tax bill for the value of any abatements you receive.

ABOUT YOUR PROPERTY TAXES

Property taxes are determined using a complex formula that takes into account many different amounts and calculations. Visit www.nyc.gov/nopv for more information about property valuation and taxation.

The Department of Finance estimates that as of January 5, 2019, the Market Value for this property is \$4,413,000. The Department of Finance will use this Market Value to determine your property taxes starting July 1, 2019.

The Department of Finance estimates your property's Market Value using the income approach. Market Value is determined by dividing the net operating income by the overall cap rate.

The following factors are used by the Department of Finance to determine Market Value:

Estimated Building Gross Square Footage: 58,800

Estimated Gross Income: \$943,283

Estimated Expenses: \$330,149

Net Operating Income: We subtract estimated expenses from estimated gross income, resulting in a net operating income of \$613,134.

Base Cap Rate: We used a capitalization rate of 8.220% which is Finance's estimate of the rate of return that an ordinary investor would expect on their investment in this type of property.

Overall Cap Rate: We add an effective tax rate of 5.675% to account for taxes due. Added together your overall capitalization rate is 13.895%.

Visit www.nyc.gov/nopv for more information.

If you own income-producing property, you must file a Real Property Income and Expense (RPIE) statement or a claim of exclusion unless you are exempt by law. The deadline to file is June 3, 2019. Failure to file will result in penalties and interest, which will become a lien on your property if they go unpaid. Visit www.nyc.gov/rpie for more information.
