Market Value =	\$1,900,000	-\$190,000	\$1,710,000
Assessed Value =	\$855,000	-\$85,500	\$769,500

**"Taxable Value" is the lower of actual or transitional assessed value less any applicable exemption(s).**

- We adjusted the Market Value of your property because Hurricane Sandy caused a general decrease in property values in your neighborhood.

If you believe the revised values listed above are too high, you can file an appeal with the New York City Tax Commission -- an independent City agency. The deadline for filing is 20 calendar days from the date of this notice.

We will use the Revised Taxable Value listed above to determine the 2013/14 Property Tax Bill for this property. If you appeal to the Tax Commission and they change your value, we will use that value instead.
