### Definitions

**Market Value** is the estimated value for Class 4 properties based on income and expense information provided by owners from renting these properties.

**Assessment Percentage** is a fixed percentage of Market Value that is set by law. For Class 4 properties, it is 45%.

**Actual Assessed Value** is calculated by multiplying your Market Value by the Assessment Percentage.

**Transitional Assessed Value** is the phase-in of changes to your Actual Assessed Value. N.Y. State law requires that changes to your Assessed Value are phased in at 20% of the change over a five-year period. The Transitional Assessed Value represents all of the changes that are being phased-in for this coming tax year.

**Exemption Value** is the amount of property tax benefits you currently have (except for abatements, which are not listed above but are listed on your property tax bills). This value is subject to change. If you recently applied for exemptions, they may not be listed. For more information about exemptions, visit [nyc.gov/ownerexemption](http://nyc.gov/ownerexemption) or contact 311.

**Taxable Value** is the lower of Actual or Transitional Assessed Value minus the Exemption Value.

**Estimate your property taxes** for 2016/17 by multiplying your Taxable Value by the current tax rate, and then subtract abatements. The result will be an estimate of your property taxes for 2016/17.

### Important Information

- You may challenge your property value. Please read more about how to challenge your property values on the "What is Your Notice of Property Value (NOPV)" sheet that is included in this mailing.
- If you own income-producing property, you must file a Real Property Income and Expense Statement (RPIE) or a Claim of Exclusion unless you are exempt by law. The deadline to file is June 1, 2016. Failure to file will result in penalties and interest, which will become a lien on your property if they go unpaid. Visit [nyc.gov/rpie](http://nyc.gov/rpie) for more information.
- If you have tried to resolve an issue through normal Department of Finance channels and feel it has not been settled, you may contact the Taxpayer Advocate at: [www.nyc.gov/taxpayeradvocate](http://www.nyc.gov/taxpayeradvocate), or by calling 311.
