**Actual Assessed Value:** Finance multiplied your property's market value by an assessment ratio of 45% to determine the actual assessed value.

**Exemption Value:** The values of any actual or transitional exemption currently on Finance's records.

**Transitional Assessed Value:** Finance phased in your assessed value, as the law requires.

**Taxable Value:** Is equal to the assessed value less any exemptions.

**If You Believe Any of the Following are Incorrect:**

**Market Value:** There are two reasons why your market value could be wrong. First, we could have incorrect information about your property (e.g., square footage, number of units, property description, etc.). Second, our income estimate might be incorrect. If so, please fill out the Request for Review of Property Value form available on our website at nyc.gov/finance or call 311 for assistance. Outside the five boroughs, please call 212-639-9675.

**Assessed Or Exempt Value:** You may file a protest with the NYC Tax Commission, an independent agency. The deadline for you to file is **March 1, 2011**. Visit the NYC Tax Commission website at nyc.gov/html/taxcomm or call 311 for more information.
