Block: 5515 Lot: 113

Building Class: A2 - One-family dwelling

Finance estimated your property's market value by examining prices of similar properties and sales trends in similar neighborhoods. These properties are selected based on characteristics that they have in common with your property. Finance arrives at your property's market value by adjusting for any differences between it and those that sold. Finance has the following information on record for your property and considers it when selecting the appropriate comparable properties.
